About the Company

MEGHA GOLD is a technology driven company, established in 1995 manufacturing automotive components with state of the art manufacturing facility. We are constantly driven by innovation, following strict O.E.M quality assurance norms in order to provide proficient quality to our customers. Our company is managed by a team of professionals having rich experience in areas of Rubber Technology, Research and Development, Product design and performance, process control, Quality Management, Marketing and after sales service etc. **QUALITY IS THE BEST BUSINESS PLAN AND WE STRIVE ON THAT.**

Following and exceeding the O.E.M standards, we manufacture

- Engine Mounting
- Oil Seals
- Silicon Hoses
- P.U Bushes
- Auto Rubber Parts
- Nylon Bushes
- Center Bearing

Our products exhibit the following qualitative features:

- Outstanding abrasion resistance
- High tensile strength
- High load bearing capacity
- Wide resilience-high elasticity & flex capabilities
- Flexible machining properties
- Wide range of shore hardness
- Strong bonding to plastic and metals
- Lightweight-easy and economic to install
- Resistant to oil, grease, chemicals & lubricants
- Low co-efficient of friction
- Ultra tough tear strength
- Good thermal resistance.

We have a strong Pan india presence, available in multiple multiple towns and districts throughout the country. With reliable distribution network, we are present wherever you need us.
